

GPS Mapping at Oak Ridge Cemetery

Step 1: Using a smartphone or tablet with GPS capabilities go to oakridgecemetery.org.

Step 2: You can use either the map at the top of the page (tablet only) or the Map at the bottom of the page (both).

Step 3: Hit the ok button on the Oak Ridge Cemetery prompt.

Step 4: You will get an over view map of Oak Ridge Cemetery.

Step 5: Insert the location with .or / or - to separate the location.

For example

Block 49 Lot 27 Grave 3 should be entered as **49.27.3 or 49/27/3 or 49-27-3**

Or Single graves such as

Block 39 Section 7 Range 3 Grave 2 should be entered as

39.s7.3.2 or 39/s7/3/2 or 39-s7-3-2 to get to the correct location.

Step 6: Use the magnifying glass to look up location.

Location(s)

_____	_____
_____	_____
_____	_____

Step 7: Click on the location. Once you click on the location a turquoise box will appear around the grave.

Step 8: The pop up with links to driving directions will appear once you click on the grave space. Choose either the Monument Ave. entrance or the J. David Jones entrance directions and click on the link.

Step 9: Directions will appear on your screen. You will be able to follow these to the grave space you are looking for.
